Welcome to Issue 1

There's so much going on here in Staffordshire over the summer and autumn months

Hello! Welcome to Lots for Tots Staffordshire Issue 1! I would like to begin by saying a big thank you to Gemma Yeomans for the beautiful photograph on our cover.

Kicking off this first magazine, on page 3, is Little Dots with a review of a gorgeous wooden play kitchen. Alongside this you will find a list of offers and news from our advertisers. On pages 5 and 13 you will find two wonderful articles, from Mini Minding Events and LullaBaby Lichfield and Burton. Towards front of the magazine is your comprehensive guide to events across Staffordshire, whilst in the back you will find lists of weekly sessions.

Thank you to all of the schools, nurseries, children's centres, family hubs, libraries and businesses who have had copies of the magazine to distribute. Finally, thank you for picking up your copy and reading! We hope you enjoy reading as much as I've enjoyed editing!

Issue 2 will be your festive guide, covering November to January. Until then, you can find us on Facebook and Instagram, so give us a follow and keep us updated about what you're up to! You can also tune into our podcast - Let's Talk Tots, which can be downloaded on any podcast player

Have a lovely summer, and autumn!

See you soon.

★ Little Dots Recommends...★

Kids love cooking up a storm with our Jumini Play Kitchen. The set includes wooden utensils, salt and pepper shakers, frying pan and an egg. It's made from FSC certified materials and comes in fully recyclable packaging. Unlike many play kitchens, it's in a gender-neutral colour pallet, perfect for any playroom! If you want to try before you buy, pop down to our family friendly café where your little dot can give it go. It's suitable for ages 3+ and is great value at £45- your kids will enjoy playing with this for years! Available instore or at www.littledots.co.uk

Mini Minding Events

Mini Minding Events – Caring for your mini ones at your big events.

Hi, my name is Amanda and I am the founder of Mini Minding Events, established in 2018. We provide a range of bespoke childcare packages for your big events!

As we celebrate our 5th Birthday, we can say the best part of Mini Minding Events is all the happy faces we see. From the mini ones who have had a great time, to the parents who have been able to enjoy the event and not worry about the kids!

Every wedding and event are unique and have different wants and needs. With this in mind, we provide flexible booking hours and work closely with families to ensure all individual needs are met for all events. Our packages are suitable from babies to up to 10 years old, our most popular being the wedding nanny and the mobile crèche. The wedding nanny is on hand to support the family on the big day providing an extra pair of hands and eyes ensuring safety of the children throughout our time at the event. Mini Minding Events provides one to one care ensuring all care needs are met from changing nappies, to putting the children to bed, to even staying overnight, we do it all! The happy couple and family members can enjoy the day / evening with reassurance that the children are happy and cared for.

Our mobile crèche is an area set up within the venue with age-appropriate toys and activities with supervision throughout our time at the event. Mini Minding Events will provide a whole selection of toys tailored to the children's likes and interests to encourage enjoyable play.

With every booking made we provide a free consultation talking through the wants, needs and requests for the event. This is can be in person giving an opportunity to meet the children before the event or we can have a video / phone call.

Mini Minding Events offers the reassurance of DBS checked staff with first aid training and experience within childcare. We are fully insured and venues can view our certificate beforehand if required.

This year we were finalists in the Lots for Tots awards for Independent Business of the year and winner for Event & Party Services of the year!

LullaBaby Lichfield and Burton

Come and make precious memories with your little one.

Becoming a parent (even for the second or third time) is a life changing experience. Having a baby can be such a wonderful time but it can also be completely overwhelming. LullaBaby classes are designed to equip you with a variety of skills to nurture and promote your baby's development, in a calm, relaxed and friendly environment where you can spend quality time bonding with your baby.

Each class provides a sensory rich environment for your little one which is crafted to engage the senses and promote early development, and offers a unique mix of stimulation and relaxation. Classes are a mix of adult-led activities with exploratory play time for your baby, which provides the perfect opportunity for you to get to know other parents in the group. We keep our class sizes small so that we can give every person who comes to LullaBaby the attention they deserve.

LullaBaby offers 3 different classes from birth to 24 months, Step 1 (0-5 months), Step 2 (2-12 months) and Step 3 (8-24 months), although the age ranges are just a guide, you're welcome to join any step at any time.

Our step 1 class is a 5 week course designed for newborn babies and their caregivers. The course covers; Baby Massage, Tummy Time Techniques, Baby Yoga, Pediatric First Aid (delivered by a qualified instructor), Sensory Play and Baby Graduation. It is the perfect introduction to baby classes for newborn babies with just the right amount of stimulation.

Our step 2 class is a weekly class with a different theme each week, from going down in the jungle, zooming into outer space and enjoying all the fun of the circus. Every week is different, so you can be sure your baby will always have something new and exciting to look forward to.

In each class we include a variety of activities including; Sensory Play, Baby Yoga and Movement, Music and Rhymes, Makaton Signing, Exploration Time and Relaxation Time with plenty of bubbles and sensory lighting. All designed to promote your baby's early development.

We understand that classes become a different experience when your little one is on the move and inquisitive. That's why Step 3 classes are designed to be largely child led, each week your little ones will explore the themed play area, where they will develop their knowledge and understanding of the world. This is followed by adult led activities based on the weekly theme.

For more information about what we have to offer please get in touch. You can explore which classes are available to book through our website www.lullababy.co.uk/lichfield-burton or by following LullaBaby Lichfield and Burton on facebook or instagram.

I would love to welcome you and your little one along to a LullaBaby class!
